# CATHOLIC MEDALS

## National Catholic Unit Excellence Award

### Pope Paul VI

This award recognizes units for their program, development and cooperation. The leadership incorporates Scouter training as well as Catholic Scouter Development and religious counseling in the program. The Scouts in each unit and Crew respond and participate in the religious emblems programs appropriate to their status in Scouting.

### Ad Altare Dei

The purpose of the Ad Altare Dei (To the Altar of God) program is to help Roman Catholic Scouts develop a fully Christian way of life in the faith community. The seven sacraments are the backbone of the program and a primary means toward spiritual growth.

### Pope Pius XII

Church related ministries and vocations are the focus of the Pope Pius XII program for high school age Catholic Scouts. God calls each person to different life choices (single, married, religious, ordained, etc.), occupations and ministries. Current issues facing the Church and society are examined through youth led discussion and recollection.

### Pillars of Faith

The pillars on the pin represent the four Catholic emblems that each of the recipients has earned. This award recognizes the commitment to exploring their faith more deeply and to the emblem programs.

### St. George

An emblem, to recognize adults in the archdiocese for their significant contributions and many years of support for the Catholic Youth Ministry at the local level. This is not an honorary award; nor may one apply for it. Rather recipients must be sought out by a selections committee of the Archdiocese Catholic Committee on Scouting.
